SUBJECT: **CEMVN-OD-S (General Permit)NOD-1**

DEPARTMENT OF THE ARMY
GENERAL PERMIT
FOR
THE INSTALLATION AND MAINTENANCE OF CAMPS AND ASSOCIATED STRUCTURES FOR PRIVATE USE IN CERTAIN NAVIGABLE WATERS WITHIN THE BOUNDARIES OF THE NEW ORELANS DISTRICT

Authorization No.: (General Permit) NOD-1
MVN-2007-611-WGG

Effective Date: April 20, 2007

Expiration Date: April 20, 2012

Under authorization granted by applicable sections of Parts 320 through 330 of Title 33, Code of Federal Regulations, and delegated authority from the Commander, U.S. Army Corps of Engineers, the District Engineer at New Orleans has determined that it is in the public interest to issue a time extension for the general permit for the construction and maintenance of camps and associated structures for private use.

Specific legislation requiring DOA permits for work of this nature:

a. Section 10 of the Rivers and Harbors Act of March 3, 1899 (33 U.S.C. 403) and
b. Section 404 of the Clean Water Act (33 U.S.C. 1344).

This authorization pertains specifically to construction of camp buildings and associated structures used for noncommercial and nonprofit purposes in navigable waters of the United States, located within the boundaries of the U.S. Army Engineer District, New Orleans. The attached map (attachment 1) shows the approximate boundaries of the New Orleans District; and, navigable waters of the United States are defined in Part 329 of Title 33, Code of Federal Regulations.

Associated structures include outbuildings, septic tanks, small wharves or landings, gazebos (at grade or on pilings), walkways, boathouses, bulkheads limited to 500 feet in length with no backfill, and similar structures normally found at recreational camps.

All references to permittee in this general permit, or in the attached standard permit form, shall be understood to refer to the person, family, agency, or group performing the work authorized by this permit.

a. No dredging or filling may be performed under this authorization, except that necessary to install a state-approved sewage treatment facility.

b. Work authorized under this general permit may not be performed in the following areas and waterways:

(1) In or adjacent to waterways in the Louisiana Natural and Scenic River System without prior written approval or concurrence from the Scenic River Coordinator of the Louisiana Department of Wildlife and Fisheries.

(2) Within the boundaries of a wildlife refuge, public park, or similar area, unless written permission is obtained from the appropriate park authority.

(3) Within 1,000 feet of a levee or other flood control facilities constructed or maintained with federal funds, or owned and operated by agencies of state and local governments without the written consent of the appropriate agency or governing body.

(4) In any area where construction of camps is forbidden by state or local law or ordinance.

(5) At or in close proximity to any known historic or archeological sites or within the boundaries of an historic district.

(6) Within 1,500 feet of a colonial bird nesting site.

(7) Within 3,000 feet of a bald eagle nest site during the period of October 1 to May 15 unless the U.S. Fish and Wildlife Service provides written concurrence that the proposed activity would not adversely affect bald eagles.

(8) Within any area where the activity is likely to adversely affect federally listed threatened or endangered species, or that is likely to destroy or adversely modify the critical habitat of such species.

(9) Private residences, camps, habitable structures and non-water dependent structures may not be built over state-owned water bottoms, with the exception of appurtenances such as docks, wharves, piers, walkways, boat slips and similar water-related structures.

c. This general permit will be effective until April 20, 2012. It may be further extended at that time.

Applications for work to be performed under authority of this general permit must include the following:

An application (ENG Form 4345), a location map, and a dimensioned and scaled plan view and cross-sections showing the proposed work (sample drawings) are enclosed as attachment 2. Applications for work within the boundaries of any state or federal wildlife refuge or management area must include the written consent of the appropriate Division Chief or Refuge Manager to be considered under the general permit.

Work authorized by the general permit will be subject to applicable conditions on ENG Form 1721, Department of the Army Permit (attachment 3), and the following special conditions.

a. Facilities for collection and disposal of solid and sanitary wastes must be installed at all camps, and must meet the approval of the Chief Sanitarian of the Parish Health Unit. A list of Parish Health Units is attached (attachment 4).

b. No heavy equipment is allowed on vegetated marsh during construction.

c. Non-biodegradable components used in construction will be removed upon termination of the project.

d. The work must not interfere with the public's right to free navigation on all navigable waters of the United States.

e. Any safety lights and signals prescribed by the U.S. Coast Guard, through regulations or otherwise, must be installed and maintained at the applicant's expense.

f. Work authorized by this general permit may not be performed until the NOD has reviewed the application and has issued a written approval.

g. Additional conditions may be added to this general permit by the District Engineer if it is found to be in the public interest to do so.

h. No work may be performed under this general permit unless and until all required local, state and other federal permits, licenses, authorizations, and, certifications are obtained. This includes, but is not limited to:

(1) A Coastal Use Permit or waiver signed by the Secretary of the Louisiana Department of Natural Resources or his designee.

(2) A Water Quality Certification (if required) from the Louisiana Department of Environmental Quality, Office of Environmental Services.

i. This general permit may be suspended, in whole or in part, by the District Engineer if it is found to be in the public interest to do so.

j. The District Engineer may choose not to grant approval under this general permit and require the applicant to go through regular permit processing procedures when he finds that such action is in the public interest.

k. If the proposed project requires any additional work not expressly permitted herein, the permittee shall obtain a separate authorization prior to the commencement of work.

Individual approvals granted under this general permit allow 5 years from the date of the approval letter to complete the project.

BY AUTHORITY OF THE SECRETARY OF THE ARMY:

DEPARTMENT OF THE ARMY PERMIT

Permittee _____

Permit No. _____

Issuing Office _____

NOTE: The term "you" and its derivatives, as used in this permit, means the permittee or any future transferee. The term "this office" refers to the appropriate district or division office of the Corps of Engineers having jurisdiction over the permitted activity or the appropriate official of that office acting under the authority of the commanding officer.

You are authorized to perform work in accordance with the terms and conditions specified below.

Project Description:

Project Location:

Permit Conditions:

General Conditions:

~~1. The time limit for completing the work authorized ends on _____. If you find that you need more time to complete the authorized activity, submit your request for a time extension to this office for consideration at least one month before the above date is reached.~~

2. You must maintain the activity authorized by this permit in good condition and in conformance with the terms and conditions of this permit. You are not relieved of this requirement if you abandon the permitted activity, ~~although you may make a good faith transfer to a third party in compliance with General Condition 4 below~~. Should you wish to cease to maintain the authorized activity ~~or should you desire to abandon it without a good faith transfer~~, you must obtain a modification of this permit from this office, which may require restoration of the area.

3. If you discover any previously unknown historic or archeological remains while accomplishing the activity authorized by this permit, you must immediately notify this office of what you have found. We will initiate the Federal and state coordination required to determine if the remains warrant a recovery effort or if the site is eligible for listing in the National Register of Historic Places.

ATTACHMENT 3

~~If you sell the property associated with this permit, you must obtain the signature of the new owner in the space provided and forward a copy of the permit to this office to validate the transfer of this authorization.~~

5. If a conditioned water quality certification has been issued for your project, you must comply with the conditions specified in the certification as special conditions to this permit. For your convenience, a copy of the certification is attached if it contains such conditions.

6. You must allow representatives from this office to inspect the authorized activity at any time deemed necessary to ensure that it is being or has been accomplished in accordance with the terms and conditions of your permit.

Special Conditions:

Further Information:

1. Congressional Authorities: You have been authorized to undertake the activity described above pursuant to:

(X) Section 10 of the Rivers and Harbors Act of 1899 (33 U.S.C. 403).

(X) Section 404 of the Clean Water Act (33 U.S.C. 1344).

~~( ) Section 103 of the Marine Protection, Research and Sanctuaries Act of 1972 (33 U.S.C. 1413).~~

2. Limits of this authorization.

a. This permit does not obviate the need to obtain other Federal, state, or local authorizations required by law.

b. This permit does not grant any property rights or exclusive privileges.

c. This permit does not authorize any injury to the property or rights of others.

d. This permit does not authorize interference with any existing or proposed Federal project.

3. Limits of Federal Liability. In issuing this permit, the Federal Government does not assume any liability for the following:

a. Damages to the permitted project or uses thereof as a result of other permitted or unpermitted activities or from natural causes.

b. Damages to the permitted project or uses thereof as a result of current or future activities undertaken by or on behalf of the United States in the public interest.

c. Damages to persons, property, or to other permitted or unpermitted activities or structures caused by the activity uthorized by this permit.

d. Design or construction deficiencies associated with the permitted work.

e. Damage claims associated with any future modification, suspension, or revocation of this permit.

4. Reliance on Applicant's Data: The determination of this office that issuance of this permit is not contrary to the public interest was made in reliance on the information you provided.

5. Reevaluation of Permit Decision. This office may reevaluate its decision on this permit at any time the circumstances warrant. Circumstances that could require a reevaluation include, but are not limited to, the following:

a. You fail to comply with the terms and conditions of this permit.

b. The information provided by you in support of your permit application proves to have been false, incomplete, or inaccurate (See 4 above).

c. Significant new information surfaces which this office did not consider in reaching the original public interest decision.

Such a reevaluation may result in a determination that it is appropriate to use the suspension, modification, and revocation procedures contained in 33 CFR 325.7 or enforcement procedures such as those contained in 33 CFR 326.4 and 326.5. The referenced enforcement procedures provide for the issuance of an administrative order requiring you to comply with the terms and conditions of your permit and for the initiation of legal action where appropriate. You will be required to pay for any corrective measures ordered by this office, and if you fail to comply with such directive, this office may in certain situations (such as those specified in 33 CFR 209.170) accomplish the corrective measures by contract or otherwise and bill you for the cost.

6. Extensions. General condition 1 establishes a time limit for the completion of the activity authorized by this permit. Unless there are circumstances requiring either a prompt completion of the authorized activity or a reevaluation of the public interest decision, the Corps will normally give favorable consideration to a request for an extension of this time limit.

Your signature below, as permittee, indicates that you accept and agree to comply with the terms and conditions of this permit.

(PERMITTEE) *(DATE)*

This permit becomes effective when the Federal official, designated to act for the Secretary of the Army, has signed below.

(DISTRICT ENGINEER) *(DATE)*

~~When the structures or work authorized by this permit are still in existence at the time the property is transferred, the terms and conditions of this permit will continue to be binding on the new owner(s) of the property. To validate the transfer of this permit and the associated liabilities associated with compliance with its terms and conditions, have the transferee sign and date below.~~
