Corps of Engineers, New Orleans District
7400 Leake Avenue
New Orleans, Louisiana 70118

CEMVN-OD-T

18 May 2017

NAVIGATION BULLETIN NO. 17-35

SPECIAL NOTICE - HURRICANE SEASON

Mariners are advised that the Hurricane Season extends from 1 June 2017 to 30 November 2017.

Locks and Navigation Structures operated by the U.S. Army Corps of Engineers will attempt to pass navigation until such time that water levels and wind conditions render operations unsafe.

The structures are then closed in accordance with Hurricane procedures. Be advised that this includes the Harvey Canal Sector Gate, located in the Harvey Canal immediately south of the Lapalco Bridge at mile marker 2.8 of the Gulf Intracoastal Waterway (GIWW) West of Harvey Lock (WHL).

Mariners will be given as much notice as possible when Structures are to be closed. However, these Structures may be closed on short notice well in advance of the actual storm. Mariners are advised to seek safe harbor as soon as possible.

General information for the New Orleans District can be found at:
<http://www.mvn.usace.army.mil>

Mariners using the following structures should consult the respective agency listed below for updates:
