NAVIGATION BULLETIN NO. 17-50

MISSISSIPPI RIVER
NEW ORLEANS HARBOR

Commencing on or about 5 July 2017 and continuing until approximately 20 August 2017, the U.S. Government Contract Cutterhead Dredge MIKE HOOKS will be working in the New Orleans Harbor.

The Dredge will work 24 hours a day, 7 days a week, and dredged material will be deposited through floating pipelines into deep water of the Mississippi River.

The Dredge will be monitoring VHF channels 16 and 67.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.

The point of contact with the New Orleans District is Michelle Kornick at (504) 862-1842 or Heather Jennings at (504) 862-1253.
