MISSISSIPPI RIVER
DEEP DRAFT CROSSINGS

Beginning on or about 23 May 2018 and continuing until approximately 2 June 2018, the U.S. Government Hopper Dredge WHEELER will be working at the Bayou Goula Mississippi River Deep Draft Crossing, located at approximately mile 198.2 Above Head of Passes (AHP).

The Dredge will work 24 hours a day, 7 days a week, and will give way to vessels using the waterway. The Dredge can be contacted on either VHF channel 16 or 67 for sailing instructions.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.

The point of contact with the New Orleans District is Michelle Kornick at (504) 862-1842 or Heather Jennings at (504) 862-1253.
