**Driving Distance:** 90 miles **Time:** 2 hours (Donaldsonville route)

**Driving Distance:** 109 miles **Time:** 2 hours 15 minutes (Baton Rouge route)

## **I-10 West via Maine St./Causeway to lock thru Donaldsonville**

Depart N.O.D. and head north on Leake Ave. to R.R. tracks crossing Oak St. ~ Take left to continue on River Rd. ~ Pass light at Oschner Hospital and continue to Maine St. which is just before the light at Causeway and River Rd. ~ Take a right on Maine St. to Jefferson Hwy. ~ Take a left, get into right lane and turn right onto Causeway Blvd. ~ Continue north to I-10, proceed the overpass and take the Baton Rouge West exit. ~ Go west towards Baton Rouge ~ Take exit 182, Donaldsonville/Sorrento, after you exit turn left at the stop sign onto Hwy 22 ~ Go about approx. ¼ mile and you will come upon a caution light with a road to left, which is Hwy 70, take a left onto Hwy 70 ~ This will take you over the Sunshine Bridge. After you cross bridge stay to your right because the road will fork after about a mile and you must veer to the right ~ This will take you into Donaldsonville ~ Go through Donaldsonville and at the last traffic light in Donaldsonville keep going straight but you will now be on Hwy 1 going to White Castle ~ Once in White Castle go to JCT993 (local Ricland Road). ~ Take a left onto 993 (Richland Road) and follow this road till you get to Hwy 404 ~ Take a right onto 404 and continue on to its termination at Hwy 75 ~ At Hwy 75 you can either take a left or right ~ If you want to enter locks through Bayou Pigeon (delivery side) turn left and follow Hwy 75 till you get to the Bayou Pigeon Bridge, once you cross bridge take a right ~ Follow levee on the gravel for approx 5 miles until you get to the lock ~ If you want to enter locks through Bayou Sorrel (front side), take a right on Hwy 75, which turns into HWY 3066, continue until you get to the town of Bayou Sorrel and look for a flat swing bridge off to the left. ~ Cross the bridge and turn left, follow the levee until you get to locks.

### **I-10 West via Maine St./Causeway to lock thru Baton Rouge**

Depart N.O.D. and head north on Leake Ave. to R.R. tracks crossing Oak St. ~ Take left to continue on River Rd. ~ Pass light at Oschner Hospital and continue to Maine St. which is just before the light at Causeway and River Rd. ~ Take a right on Maine St. to Jefferson Hwy. ~ Take a left, get into right lane and turn right onto Causeway Blvd. ~ Continue north to I-10, proceed up the overpass and take the Baton Rouge West exit. ~ Go to Baton Rouge, once you're past the CBD, stay to the left on the I-10 west to Lafayette split. ~ This will put you on the bridge. Make your way to the middle lane. ~ Take the very first exit, which is Plaquemine, Hwy 1 South. ~ When you're on Hwy 1 South you will go through Brusly, Addis and then come into Plaquemine ~ Go through Plaquemine and come across a four-corner stop with traffic light @ Hwy 1 and Hwy 75 ~ Take a right

onto Hwy 75, continue on, this road will take you to the river ~ When you get to the river take a left toward Bayou Sorrel. Start looking for the bridge, it is on the right side. ~ Cross over the bridge and turn left, follow the levee till you get to the locks. ~ **For deliveries, enter through the Bayou Pigeon side** ~ To do this, just keep going on Hwy 75 till you get to Bayou Pigeon ~ Cross the Bayou Pigeon bridge and turn right, follow the levee on the gravel road for approx. 5 miles until you get to locks.
