

Harvey Floodgates

From: New Orleans District, 7400 Leake Ave., New Orleans, LA 70118 Ph#(504)862-2201

To: Harvey Floodgates, 2604 Peters Road, Harvey, LA 70058 Ph#(504)862-1377

Driving Distance: 13.7 miles **Time:** 25 minutes

Crescent City Connection via Carrollton

Depart N.O.D. and head north on Leake Ave. ~ Take a right on Carrollton and proceed up Carrollton to the interstate ~ Veer off to the right and take the Slidell East split ramp to the right ~ Merge onto the interstate and make it to the middle lane ~ Where the I-10 and US 90 splits, take the “Business 90 Westbank” split to the left ~ Continue on and this turns into the bridge ~ When you get over the bridge, continue on, this turns into the elevated Westbank Expressway ~ Continue west on the elevated expressway to Manhattan Blvd. Exit ~ Take the exit on to the ground level expressway and make your way to the second lane from the right hand side and continue on past Manhattan and past the Harvey Tunnel split to Peters Road, where the expressway terminates ~ take a left on to Peters Road and continue for approximately 2 miles to the first “turn-in” on your right once you pass under the Lapalco bridge overpass ~ after you turn off of Peters Road and in to the industrial area, follow the road to the right and go around the floodwall following the dirt road to the structure keeping the floodwall on your left, see image below.

Lapalco Blvd
