Subject: The Vicinity Map of the permit drawings has been modified (see attached drawing) to include, the linear distance from Tag 1 to Tag 2 of the proposed pipeline has been corrected to reflect a distance of 46.84 miles. This is at the top of page 1 of 7 in the permit drawings for the Enterprise Products Operating, LLC, proposal to clear, grade, excavate, and fill to construct a new 52.5 mile 20-inch ethane gas pipeline. The original drawings show a distance of 5.39 miles. The remainder of the drawings is correct.

ADDITIONAL INFORMATION: See the original joint public notice dated May 19, 2014, for review of the remaining information and drawings, to provide written comments on the proposed project.

Any person may request, in writing, within the comment period specified in the original public notice, that a public hearing be held to consider this application. Requests for public hearings shall state, with particularity, the reasons for holding a public hearing.

You are requested to communicate the information contained in this notice to any other parties whom you deem likely to have interest in the matter.
