All elevations are expressed in feet and refer to National Geodetic Vertical Datum of 1929.
Planimetry from aerial photographs flown December 1995 and January 1996.

○ Distances on Atchafalaya River below the head through the main channel and distributaries are shown at 1 mile intervals and are based on 1963 channel alignment from aerial photos.

● Distances on Atchafalaya River below the head through the main channel and distributaries are shown at 1 mile intervals and are based on 1998 surveys.

Polyconic Projection, North American Datum (83) is displayed.

Lambert Conformal Conic Projection (83) was used to compile the maps.

This map was compiled to meet the ASPRS standards for class II map accuracy.
