SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

1. All proposals shall be submitted as three written copies of each (one being the original) as well as in one of the following electronic formats: one (1) 3 ½ inch floppy disk or one (1) compact disk in Microsoft Word 7.0 format OR Adobe Acrobat 4.0 or 5.0 format. Dimensions of paper are 8 ½ x 11 inches. Typing is permitted on both sides of the sheet, head to head with the spacing being either single-spaced, 1 ½ spaced or double spaced utilizing no less than a size 12 font. The spine of each volume shall identify the book number (e.g. original, book 1, 2 or 3 etc.) Electronic media is to be virus free. If files are compressed, they must be self-extracting archives, meaning no software needed to decompress. This requirement also applies to all proposed subcontractors/team members.

2. The following answers are provided for the questions that were submitted regarding the RFP:

1) Equipment hours for task orders will correspond to the hours/day that the dive team works as defined in Section C, paragraph 15 of the solicitation.

example 0001AM) If a camera is required for a one day dive w/ 4 hrs overtime, the numbers of hours on the task order bid schedule would be 12 hours. The question includes a statement that "no one rents by the hour". The offeror shall determine pricing for equipment on the bid schedule whether equipment is owned or rented and shall be priced accordingly.

example 0001AK) The number of hours on the bid schedule is an estimate based on historical information. If a dive boat is required for a one day dive with 4 hrs overtime, the hours required for the dive boat will be 12 hours and will correspond with the hours required for the dive team for that day. Equipment time, start and stop, will correspond with dive time as stated in Section C, paragraph 15 of the solicitation.

example 0001AN) If there is a requirement for a one day dive with 4 hrs overtime and a chamber is required, hours for the chamber will correspond to the hours for the dive team and will be 12 hours in this example.

2) "Other equipment" will be stated in the task order with pricing to be negotiated with the task order.

3. The proposal due date has been extended until 30 December 2005 at 8:00 AM, same location.
