SECTION SF 30 BLOCK 14 CONTINUATION PAGE

The following items are applicable to this modification:AMENDMENT

3. Program and Project Management teams defined:

The program management team will be the team that the firm that wins the contract will put together to oversee the implementation process. It is envisioned that the Corps will send the task orders to the program management team. The program management team will organize the Project management team to execute the task order. One team is envisioned to support a special task force organized to perform the Hurricane recovery work and other project management team will support the New Orleans District. The makeup of the teams is envisioned to be from the disciplines shown in the bid schedule. The size and team makeup will depend on the specific task order to the contractor from the special task force or the New Orleans District. The scope will focus on the New Orleans Metropolitan area but it may be used anywhere in the entire district.

4. What are your minimum staffing requirements 15 days after contract award? Will the initial staffing be included in an awarded Task Order?

Minimum staff will be determined by level of effort required in first task order.

5. When pricing labor categories, unless otherwise specified, the classification should be considered mid-level.

6. All other terms and conditions remain unchanged.
