1.1 This 110-hectare site has been surfaced cleared for UXO (unexploded ordnance) and mines to the depth of 20cm as identified in De-Mine Clearance Certificates, see Appendix F. Under this contract, Contractor shall verify location of de-mined area.

The Contractor is required to provide two access roads to the Master Planned Community from the Kabul-Gardez Highway. Access roads will be de-mined by the Contractor. Contractor shall de-mine access roads 40 meter width by 800 meters in length. The two access points shall be approved by the Contracting Officer.

Contractor shall have available a Mine Technical Advisor for removal of sub-surface UXO if encountered. For any and all areas on or around the site, it is the responsibility of the Contractor to be aware of the risk of encountering UXO and to take all actions necessary to assure a safe work area to perform the requirements of this contract. If at any time during contract performance, the Contractor becomes aware of or encounters UXO or potential UXO, even after clearing has been accomplished, the Contractor shall immediately stop work at the site of the encounter, move to a safe location, notify the Contracting Officer, and the Contractor will mitigate UXO and any delays to scheduled or unscheduled contract work. Contracting Officer will negotiate with the Contractor for the mitigation of UXO's. The Contractor assumes the risk of any and all personal injury, property damage or other liability, arising out of and resulting from any Contractor action hereunder. In any case, the Contractor shall be responsible for identifying of UXO for the entire project site.
