c. The bidder must be capable of providing for assignment of the dredge and all attendant plant, complete and in full operating condition in all respects, within 240 hours after receipt of Notice to Proceed by the Contractor.

4. BIDDER QUALIFICATIONS.

a. Before the Government will award a contract based on this solicitation, the apparent low bidder shall establish that it is responsible and entitled to award of the contract, by certifying that its dredge meets the appropriate production rate, as listed in the table of the paragraph entitled, "Dredge Plant" of Section 02328 - Dredging. The dredge must perform at or above the listed production rate at least 85% of the time, as established by other contracts completed within three years prior to the bid opening date of this solicitation. Failure to establish an adequate capability will result in rejection of the bid as non-responsive.

b. A bidder may be rejected as non-responsive if it cannot show the necessary capital, experience, or equipment needed to perform the work described under this solicitation (see FAR 9.1). The bidder must also show that the dredge and attendant plant is not already obligated for the performance of other work that would delay commencement, performance, and completion of the solicited work; and must show that delivery of the dredge and attendant plant to the site of work can be made within the time allowed in the specifications.

5. PRE-AWARD INSPECTION OF PLANT.

a. The apparent low bidder shall make the dredge and attendant plant available for inspection, to determine compliance with these specifications, as soon as practicable after bids are opened, and prior to contract award. If deficiencies are found during the inspection, the bidder will be notified in writing, which may be transmitted by telegraph or facsimile. Upon receipt of such notice, the bidder shall correct all deficiencies at least two calendar days in advance of the projected contract award date.
