

The purpose of the Castle Kids Parents Committee shall be to enhance communication and involvement of parents/guardians/sponsors of children enrolled in the Castle Kids Child Development Center, U.S. Army Corps of Engineers, New Orleans District. These goals will be accomplished by:

1. Encouraging active parent involvement in center programs and activities;
2. Coordinating parent volunteers for special events and activities;
3. Raising and disbursing funds for carrying out projects and programs to enhance the mission of the Castle Kids Child Development Center;
4. Supporting and showing appreciation to Castle Kids administrators, faculty, and staff;
5. Serving as a liaison and fostering communication among parents, the Corps Child Care Coordinator, and center administration and staff;
6. Serving as an advisory body to provide consumer input and recommendations for improvement in center policies and programs to the Corps Child Care Coordinator and center administration and,
7. Establishing ad hoc committees and appointments, as required.
