

**DONALDSONVILLE TO THE GULF STUDY FLOODING QUESTIONNAIRE  
SOUTH CENTRAL LOUISIANA**

Purpose: The U.S. Army Corps of Engineers is collecting survey data in order to investigate flood protection to the Donaldsonville to the Gulf Drainage, South-central Louisiana, between the west bank of the Mississippi River and the east bank of Bayou Lafourche in south-central Louisiana. The survey responses will assist the Corps of Engineers in formulating the most economically feasible and environmentally acceptable plan for your area.

**U.S. PRIVACY ACT STATEMENT**

Confidentiality: Information contained within a specific response form, which is valid only if an OMB control number appears on the upper right hand corner, will not be published or released. Only the results of combined responses may be published in a project report that is released to the public and to various water and land management agencies of Federal and state government.

Voluntary Survey: Your response to the survey is voluntary. There are no consequences for declining to respond. However, your response is important and will greatly aid in our effort to provide increased flood protection for your community.

Public Burden: The public report burden of this information is estimated to average 30 minutes. Please address any questions or suggestions you may have regarding this burden estimate to the Department of Defense, Washington Headquarters Services, Directorate for Information Operations and Reports, 1215 Jefferson Davis Highway, Suite 1204, Arlington, Virginia 22202-4302, or the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503, Attn.: Desk Officer for U.S. Army Corps of Engineers.

Date: \_\_\_\_\_

Company Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Fax Number: \_\_\_\_\_

Point of Contact: \_\_\_\_\_  
(name of person filling out survey/title)

Type of Business: \_\_\_\_\_  
(products or services sold)

5. Other than your principal structures, are there any other highly damageable items on your property?

a. Movables (cars, trucks, trailers, etc.)

Type	Current Value (\$)

b. Not readily movables (landscaping, electrical equipment, pipes, trailers on blocks, etc.)

Type	Current Value (\$)	Height Above Ground (ft.)

6. What is the estimated time (in minutes) it took to complete this survey? \_\_\_\_\_

**Thank you for taking the time to complete this survey.**

**(Note--One or more of the following business specific survey forms will be inserted at this point depending on the type of business. This note will not appear on the survey form.) (Note: flood levels will be amended to include -1, -0.5, 0.0 ft) This note will not appear on the survey form)**
