WHEEL CHAIR BOUND HUNTING AREA

The U.S. Army Corps of Engineers is pleased to offer something quite unique to our hunters with special needs. In 2003 the U.S. Army Corps of Engineers partnered with the Paralyzed Veterans of America to establish a 350-acre hunting area reserved exclusively for wheel chair bound hunters. The Paralyzed Veterans of America donated hunting blinds, which are safely positioned in strategic locations to provide optimal hunting opportunities. For safety reasons and also to provide a quality experience for the hunter this area is closed for all other activities during gun and primitive weapon hunts for deer. Pre-registration is required in order to use these hunting blinds. For more information or to register to use a hunting blind please call the ABFS Project Office at (337) 585-0853 or use the submission form below.
