

# **Bechtel Infrastructure Corporation Seeks Suppliers and Subcontractors**

*Permanent Canal Closures and Pumps Project*

## **Open House**

Wednesday, Oct. 6; 1:30 – 7:30 p.m.  
Best Western Landmark Hotel  
2601 Severn Avenue  
Metairie, LA 70002

Bechtel Infrastructure Corporation, a part of the nation's number one engineering-construction firm, has been shortlisted by the U. S. Army Corps of Engineers to bid on the New Orleans Permanent Canal Closures and Pumps project. Bechtel's expertise is augmented by four outstanding local engineering companies we have associated with for the project: Waldemar S. Nelson and Company, Inc.; BCG Engineering and Consulting, Inc.; N-Y Associates, Inc.; and Eustis Engineering Services, LLC.

Contract award is expected in early 2011. Should Bechtel be the successful bidder we plan to maximize opportunities for local subcontractors and suppliers, with emphasis on small and disadvantaged firms.

Bechtel is seeking expressions of interest from suppliers and subcontractors to provide services (security, janitorial, waste management, reprographic, general construction, etc.), materials (bulk piping, bulk electrical, bulk civil, etc.), supplies (safety, office, construction, etc.) and various tools, instruments and consumables.

Interested firms are invited to attend the Open House. If you are unable to attend, you can register your firm with us by going to our project web site at [www.nops-pccp.com](http://www.nops-pccp.com)

### **EXPRESSIONS OF INTEREST FOR EMPLOYMENT**

If Bechtel is the selected bidder, we and our affiliated company, Becon Construction Company, Inc., will be seeking skilled workers for both construction and non-manual positions. If you would like to register your interest with us for future consideration you can attend the Open House or express your interest online at project web address.

**Local Knowledge**  
**Global Reach**

**Bechtel Is An Equal Opportunity Employer**

# Supplier/Subcontractor Information

Online Registration <https://supplier.bechtel.com/>

Please refer to the Code of Federal Regulations (CFR), Title 13, subparts 121.410 and 121.411, for guidance on size standards and procedures regarding the Subcontracting Program. These regulations may be obtained on the Internet at <http://www.sba.gov/tools/resourcelibrary/lawsandregulations/index.html>.
