

**US Army Corps
of Engineers®**
New Orleans District

Join the US Army Corps of Engineers New Orleans District

About the District:

- ◆ The New Orleans District provides for navigation, flood and hurricane risk reduction, environmental stewardship, and other water resources needs to benefit the people of southern Louisiana and the nation.
- ◆ The offices are located in the uptown area of New Orleans.
- ◆ Audubon Park is within walking distance.

Job Information:

Position Title: Civil Engineer (Recent Graduate)

Occupational Series: GS-0810

Grade Levels: GS-05, 07 or 09; Target GS-11

Location: New Orleans, LA

Duties:

- ◆ Prepare engineering calculations for civil works projects including navigation, flood risk management, and ecosystem restoration projects.
- ◆ Serve as a team member engaged in the planning, study, design, construction, and/or operation of civil works projects.
- ◆ Prepare input to environmental or engineering reports, budget requests, and project information documents.
- ◆ Prepare routine correspondence. Review engineering, operation, and environmental documents prepared by others (reports, drawings, specifications) for accuracy.

How to Apply:
