About the District:
- The New Orleans District provides for navigation, flood and hurricane risk reduction, environmental stewardship, and other water resources needs to benefit the people of southern Louisiana and the nation.

Duties:
- As a Lock and Dam Operator Trainee at a USACE navigation facility, you will operate (under very close supervision and dependent upon capability, skill, and knowledge) electrically- and/or hydraulically-controlled lock or lock and dam gates, control valves, and other associated equipment required for passage of a variety of private and commercial traffic through the lock structure and the maintenance of required pool levels.
- Specific duties include: Handle bow or stern lines, walk lines in proper locations along the wall, and snub lines to assist pilot in maneuvering craft into position;
- Operate electric gate controls to open or close gates at one end of the lock chamber;
- Operate electrically controlled tow haulage unit to move barges into and out of lock chamber.

Job Information:
- Position Title: Lock and Dam Operator
- Occupational Series: WY-5426
- Grade Levels: WY-05; Target WY-08
- Starting Pay: $16.06 / hr
- Location: Morgan City, LA

How to Apply:
For consideration, please send your resume to Ladon Champine at LaDon.J.Champine@usace.army.mil.
