OCT 18 2019

Operations Division
Operations Manager, Completed Works

Mr. Kyle R. "Chip" Kline, Jr.
Chairman
Coastal Protection and Restoration
Authority Board of Louisiana
Capitol Annex, Suite 138
1051 North Third Street
Baton Rouge, Louisiana 70802

Dear Mr. Kline:

You are hereby informed that the following contract for the West Bank and Vicinity (WBV) – Mississippi River Levee (MRL), Hurricane and Storm Damage Risk Reduction System, WBV-MRL-05.2 English Turn to Belle Chasse (W912P8-14-C-0015) in Plaquemines Parish, Louisiana has been completed. This project was completed by the United States pursuant to Public Law (PL) 109-234, Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Hurricane Recovery 2006.

A final inspection of WBV-MRL-05.2 was conducted on September 30, 2019 and all contract work was performed in accordance with the approved plans and specifications and meets the 100-year event design criteria. For operations and maintenance guidance, refer to the operation, maintenance, repair, replacement, and rehabilitation (OMRR&R) manual, Volume 1 and Volume 2, previously provided to you. Please note, Volume 3 of the OMRR&R manual will be provided in the near future which will include the final OMRR&R information associated with above referenced contract. Please see enclosed the following items:

- a. Redline As-built contract drawings – Enclosure 1
- b. Final inspection attendance roster – Enclosure 2
- c. Notification of Construction Completion (NCC) survey data – Enclosure 3

The NCC survey data includes a table presenting elevations at stations that can be compared to the construction plans. The data represents a centerline profile of the levee and was obtained on September 30, 2019. The survey data reflects the elevations of the levee are above the elevations required to provide a 100-year level of

risk reduction. The levees were constructed with overbuild to allow for the natural occurrence of settlement and subsidence.

In accordance with the Project Partnership Agreement between the Department of the Army and Coastal Protection and Restoration Authority Board (CPRAB) of Louisiana dated November 6, 2008, CPRAB shall undertake the OMRR&R of this completed project feature of the WBV, Hurricane and Storm Damage Risk Reduction System in Plaquemines Parish. In this connection, maintenance is construed as keeping all completed works in working condition to serve the purpose for which they were designed. In accordance with section 1010 of PL 113-121, you may appeal this notification.

If there are any questions concerning your OMRR&R responsibilities, please call Ms. Amy Powell, Operations Manager, Completed Works, or Ms. Karen Clement, Assistant Operations Manager, Completed Works, at (504) 862-2241 and (504) 862-2313, respectively.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Murphy', with a long horizontal flourish extending to the right.

Stephen F. Murphy
Colonel, U.S. Army
District Commander
