Mr. Garret Graves
Chairman, Coastal Protection and
Restoration Authority of Louisiana
1051 North 3rd Street
Capitol Annex Building
Baton Rouge, Louisiana 70802

Mr. Graves,

This letter is to inform you that the SELA 19 Florida Avenue Canal, Phase I, contract number W912P8-10-C-0043, constructed under the Southeast Louisiana Urban Flood Control Project, has been substantially completed in accordance with the Project Partnership Agreement (PPA) executed between the U.S. Army Corps of Engineers (Corps) and the Coastal Protection and Restoration Authority of Louisiana on January 16, 2009. The contract was declared substantially complete on August 17, 2013. A final inspection was performed October 23, 2013 and was completed satisfactorily. This fulfills our obligations as part of the agreement and your office now becomes responsible for the operation and maintenance of the project. In accordance with the PPA, we will provide you with as-built drawings and the operations, maintenance, repair, replacement, and rehabilitation requirements in the near future.

Please feel free to contact me at (504) 862-1501 with any questions or concerns.

Sincerely,

A handwritten signature in black ink, reading "Herbert J. Wagner", is written over a horizontal line.

Herbert J. Wagner, PMP
Senior Project Manager
New Orleans District
