Operations Division
Operations Manager, Completed Works

Mr. Johnny B. Bradberry
Chairman
Coastal Protection and Restoration Authority
Board of Louisiana
900 North Third Street
State Capitol – 4th Floor
Baton Rouge, Louisiana 70802

Dear Mr. Bradberry:

You are hereby informed that the following contracts for the West Bank and Vicinity (WBV), Hurricane and Storm Damage Risk Reduction System (HSDRRS), WBV-ARM-04 System Armoring, WBV-17b.2 Reach (W912P8-15-D-0003, Task Order 0003), in Jefferson Parish, Louisiana has been completed. This project was completed by the United States pursuant to the 4th Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and the Hurricane Recovery of 2006 (Public Law 109-234, Title II, Chapter 3, Flood Control and Coastal Emergencies) and the 6th Emergency Supplemental Appropriations Act (PL 110-252, Title III).

A final inspection of WBV-ARM-04 was conducted on September 27, 2016, and all contract work was performed in accordance with the approved plans and specifications and meets the design criteria.

For operations and maintenance guidance, refer to the interim operation, maintenance, repair, replacement, and rehabilitation (OMRR&R) manual, Volume 1 and Volume 2, previously provided to you. In addition, please see the enclosed Volume 2 Supplemental OMRR&R manual regarding Armoring. Please note, Volume 3 of the OMRR&R manual will be provided in the near future which will provide the final OMRR&R information associated with above referenced contracts. Please see enclosed the following items:

- a. Redline As-built contract drawings – Enclosure 1
- b. Final inspection attendance roster – Enclosure 2
- c. Volume 2 Supplemental OMRR&R for Armoring – Enclosure 3

The punch list items identified during the pre-final inspection have been corrected and inspected by representatives of the Southeast Louisiana Flood Protection Authority-West (SLFPA-W), the Coastal Protection and Restoration Authority Board (CPRAB) of Louisiana, formerly known as Coastal Protection and Restoration Authority (CPRA), and by our office. The Bermuda grass has been established and with proper maintenance should continue to improve in density and root structure.

In accordance with the Project Partnership Agreement between the Department of the Army and CPRA (now known as CPRAB) dated November 6, 2008, CPRAB shall undertake the OMRR&R of this completed project feature of the West Bank and Vicinity, HSDRRS in Jefferson Parish. In this connection, maintenance is construed as keeping all completed works in working condition to serve the purpose for which they were designed. In accordance with Section 1010 of Public Law 113-121, you may appeal this notification.

If there are any questions concerning your OMRR&R responsibilities, please call Ms. Amy Powell, Operations Manager, Completed Works, or Ms. Karen Clement, Assistant Operations Manager, Completed Works, at (504) 862-2241 and (504) 862-2313, respectively.

Sincerely,

Michael Clancy
Colonel, U.S. Army
District Engineer
