Dear Messrs. Bradberry and Roberts:

You are hereby informed that the contract for the construction of the Harahan Pump to the River, Discharge Basin, Contract Number W912P8-13-C-0015 (SELA 07c), in Jefferson Parish, Louisiana, which is a functional portion of the Southeast Louisiana (SELA) Project, has been completed. The SELA 07c work was completed by the U.S. Army Corps of Engineers pursuant to Section 108 of the Energy and Water Development Appropriations Act of 1996, Public Law (PL) 104-46; Section 533 of the Water Resources Development Act of 1996, PL 104-303, as amended; and the 6th Emergency Supplemental Appropriations Act (Chapter 3, Title III), PL 110-252.

This Notification of Construction Completion (NCC) is for all contractual features associated with the construction contract for the Discharge Basin, which can function independently, but does not include the wire pulling through the electrical duct bank and all associated electrical and flow meter installation work as well as work within the compressor station at the Mississippi River Levee, which includes installation of a control panel and installation of SCADA, and work associated with the all-weather access road. A subsequent NCC will be issued for these features upon completion of work.

A joint agency pre-final inspection of the SELA 07c work was conducted on November 10, 2016. A subsequent joint agency final inspection was conducted

on September 20, 2017 and all punch list items were found to have been satisfactorily corrected. All contract work was performed in accordance with the approved plans and specifications, and meets the ten percent annual exceedance probability design criteria. Please see the following enclosed items:

a. Volumes 1 and 2 of the Interim Operation, Maintenance, Repair, Replacement, and Rehabilitation (OMRR&R) Manual for SELA Project work performed in Jefferson Parish, Louisiana, inclusive of all Appendices, Exhibits and Attachments and the SELA 07c work Fact Sheet - Enclosure 1.

b. Red line as-built contract drawings – Enclosure 2.

c. Final inspection attendance roster - Enclosure 3.

In accordance with the Project Partnership Agreement between the Department of the Army and the Coastal Protection and Restoration Authority of Louisiana, for the Southeast Louisiana, Louisiana Project, Jefferson and Orleans Parishes dated January 16, 2009, the Project Cooperation Agreement between the Department of the Army and Jefferson Parish, Louisiana dated January 16, 1997, and Amendment No. 1 thereto between the Department of the Army and Jefferson Parish, Louisiana dated March 24, 2005, the non-Federal sponsors shall undertake the OMRR&R of this completed project feature of the SELA Project in Jefferson Parish. In this connection, maintenance is construed as keeping all completed works in working condition to serve the purpose for which they were designed. Section 1010 of PL 113-121 provides for an appeals process.

If there are any questions concerning your OMRR&R responsibilities, please call Ms. Amy Powell, Operations Manager, Completed Works or Ms. Karen Clement, Assistant Operations Manager, Completed Works at (504) 862-2241 and (504) 862-2313, respectively.

Sincerely,

Michael N. Clancy
Colonel, U.S. Army
District Commander
