NAVIGATION BULLETIN NO. 18-145

ATCHAFALAYA RIVER
SUBAQUEOUS STONE PLACEMENT

Beginning on or about 7 November 2018 and continuing until approximately 7 January 2019, a U.S. Government Contractor will be placing subaqueous stone on the Left Descending Bank (LDB) of the Atchafalaya River at Mile 119.9.

The Contractor will work during daylight hours, and the plant will include a work barge with dragline and spuds. An office barge and various material barges will be on-site, staged outside the channel.

The M/V HERBERT J. PLAISANCE will monitor VHF-FM marine channels 13 and 16.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.

The point of contact with the New Orleans District is John Page at phone number 337-291-3015.
