NAVIGATION BULLETIN NO. 18-155

CALCASIEU RIVER BAR CHANNEL

Commencing on approximately 28 December 2018 and continuing until approximately 1 May 2019, the U.S. Government Contract Hopper Dredge COLUMBIA will be working in the Calcasieu River Bar Channel from the seaward end jetties to the sea buoy (mile -1.5 to mile -19.0).

Dredged material will be deposited at the designated off shore disposal site No. 2.

The dredge will work 24 hours a day, 7 days a week, and will give way to passing navigation.

The dredge can be contacted on either VHF marine channels 14, 16, or 67 for sailing instructions.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.

The point of contact with the New Orleans District is Tracy Falk at (504) 862-2971.

STEVEN G. PATORNO
