NAVIGATION BULLETIN NO. 23-123

HOUMA NAVIGATION CANAL
TERREBONNE BAY

Commencing on or about 9 October 2023 and continuing through approximately 15 December 2023, the U.S. Government Contract Cutterhead Dredge ENTERPRISE will be working in the Houma Navigation Canal from approximately mile 10.5 to approximately mile 2.5.

The dredge will work 24 hours a day, 7 days a week. Dredged material will be deposited into open water, through a floating pipeline, approximately 2000 feet west of the Houma Navigation Canal Channel centerline. Dredge personnel can be contacted on either VHF marine channel 13 or 16.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.

The point of contact with the New Orleans District is Raymond C. Newman at (504) 862-2050.
