NAVIGATION BULLETIN NO. 19-06

**MISSISSIPPI RIVER**  
**SUBAQUEOUS STONE PLACEMENT**

Beginning on or about 22 January 2019 and continuing until approximately 7 March 2019, a U.S. Government Contractor will be placing subaqueous stone on the Right Descending Bank (RDB) of the Mississippi River at Mile 153.9 Above Head of Passes (AHP).

The Contractor will work during daylight hours, 7 days a week, and the plant will include a work barge with an excavator and spuds. An office barge and various material barges will be on-site, staged outside the channel.

The M/V ALBOB will monitor VHF-FM marine channels 13 and 16.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.

The point of contact with the New Orleans District is John Page at phone number 337-291-3015.
