

## **ANNEX 6:** Louisiana Coastal Resources Program Consistency Determination

USACE is updating its Coastal Zone consistency (CZC) determination and coordination with the Office of Coastal Management (OCM) to account for project design changes since the 2017 Draft GRR/SEIS. The updated CZC determination and OCM coordination will be included in the Final GRR/SEIS.

Replace the Inner Harbor Navigational Canal Lock and St. Claude Avenue Bridge  
**Orleans Parish, Louisiana**

Dear Mr. Lahare:

The above referenced project, with associated supplemental environmental impact statement, has been reviewed for consistency with the Louisiana Coastal Resources Program in accordance with Section 307(c) of the Coastal Zone Management Act of 1972, as amended. The project, as proposed in this application, is consistent with the LCRP.

If you have any questions concerning this determination, please contact Carol Crapanzano of the Consistency Section at (225) 342-9425 or [carol.crapanzano@la.gov](mailto:carol.crapanzano@la.gov).

Sincerely yours,

**/S/ Don Haydel**  
Acting Administrator
