AMENDMENT NO. 1
TO THE
AGREEMENT
BETWEEN THE DEPARTMENT OF THE ARMY
AND
PONTCHARTRAIN LEVEE DISTRICT
FOR THE WEST SHORE-LAKE PONTCHARTRAIN, LOUISIANA
FEASIBILITY STUDY

THIS AMENDMENT is entered into this 21st day, of July, 2008, by and
between the Department of the Army (hereinafter the “Government”), represented by the
Division Engineer, Mississippi Valley Division and the Pontchartrain Levee District
(hereinafter the “Sponsor”), represented by its President.

WITNESSETH THAT:

WHEREAS, by resolution dated July 29, 1971, the Committee on Public Works, U.S.
House of Representatives has requested a review of the report of the Chief of Engineers on Lake
Pontchartrain and Vicinity, Louisiana, published as House Document No. 231, 89th Congress,
First Session, and other pertinent reports, with a view to determining whether modifications to the
recommendations contained therein are advisable at this time, with particular reference to
providing additional levees for hurricane protection and flood control in St. John the Baptist
Parish and that part of St. Charles Parish west of the Bonne Carre’ Spillway;

WHEREAS, by resolution dated September 20, 1974, the Committee on Public Works,
U.S. Senate has requested a review of the report of the Chief of Engineers on Lake Pontchartrain
and Vicinity, Louisiana, published as House Document No. 231, 89th Congress, First Session, and
other pertinent reports, with a view to determining whether modifications to the recommendations
contained therein are advisable at this time, for hurricane protection and flood control in St.
James Parish;

WHEREAS, the U.S. Army Corps of Engineers conducted a reconnaissance study of
hurricane and flood damage reduction pursuant to such requests and determined that further
planning in the nature of a feasibility study for hurricane and flood damage reduction should
proceed;

WHEREAS, Section 105(a) of the Water Resources Development Act of 1986, Public
Law 99-662, as amended (33 U.S.C. 2215(a)), specifies the cost sharing requirements applicable
to the Study;

WHEREAS, on February 16, 1998, the Government and the Sponsor entered into a
Feasibility Cost Sharing Agreement (hereinafter the “Original Agreement”) for the conduct of
such feasibility study (hereinafter the “Study”);

WHEREAS, the Government and the Sponsor desire to amend the Original Agreement,
and that certain Project Study Plan which is attached to the Original Agreement;
AMENDMENT NO. 1
FOR THE WEST SHORE-LAKE PONTCHARTRAIN, LOUISIANA
FEASIBILITY STUDY

WHEREAS, the Government and the Sponsor do mutually agree to an increase in the estimated Study Costs as estimated in Article III.A. of the Original Agreement;

WHEREAS, the Sponsor desires to provide in-kind contributions (hereinafter the “non-Federal in-kind contributions”) that are necessary to prepare the feasibility report and to receive credit for such contributions toward the amount of the non-Federal proportionate share for the Study;

WHEREAS, the Government and Sponsor have the full authority and capability to perform as hereinafter set forth and intend to cooperate in cost-sharing and financing of the Study in accordance with the terms of this Amendment No. 1;

WHEREAS, the Government and the Sponsor, in connection with this Amendment No. 1, desire to foster a partnering strategy and a working relationship between the Government and the Sponsor through a mutually developed formal strategy of commitment and communication embodied herein, which creates an environment where trust and teamwork prevent disputes, foster a cooperative bond between the Government and the Sponsor, and facilitate the successful Study; and

WHEREAS, the aforesaid Original Agreement shall remain in full force and effect, except as modified by this Amendment No. 1.

NOW THEREFORE, the Government and the and the Sponsor hereby amend the hereinabove described Original Agreement dated February 16, 1998 by rescinding Articles I through X thereof, thereafter replacing the said rescinded Articles with the following Articles, to wit:

ARTICLE I – DEFINITIONS

A. The term “Study” shall mean the activities and tasks required to identify and evaluate alternatives and the preparation of a decision document that, when appropriate, recommends a coordinated and implementable solution for hurricane and flood reduction at West Shore-Lake Pontchartrain, Louisiana situated in St. Charles, St. John the Baptist, and St. James Parishes, Louisiana, as generally described in the West Shore–Lake Pontchartrain, Louisiana Reconnaissance Report, approved by the U.S. Army Corps of Engineers Directorate of Civil Works on December 1, 1997. The term includes the non-Federal in-kind contributions described in paragraph K. of this Article.

B. The term “total study costs” shall mean the sum of all costs incurred by the Sponsor and the Government in accordance with the terms of this Amendment No. 1 directly related to performance of the Study. Subject to the provisions of this Amendment No. 1, the term shall include, but is not necessarily limited to: the Government’s costs of plan formulation and evaluation, including applicable economic, engineering, real estate, and environmental analyses; the Government’s costs of preparation of the decision document for the Study; the costs of the non-Federal in-kind contributions determined in accordance with Article II.E. of this Amendment No. 1; the Government’s costs of

FEASIBILITY STUDY

independent technical review and other review processes required by the Government; the
Government’s costs of external peer review, if required; the Government’s costs of
preparation of a floodplain management plan; the Government’s supervision and
administration costs; the Sponsor’s and the Government’s costs of participation in the Study
Coordination Team in accordance with Article III of this Amendment No. 1; the
Government’s costs of contract dispute settlements or awards; and the Sponsor’s and the
Government’s costs of audit in accordance with Article VI.B. and Article VI.C. of this
Amendment No. 1. The term does not include any costs of dispute resolution under Article
V of this Amendment No. 1; any costs incurred as part of reconnaissance studies; any
costs incurred as part of feasibility studies under any other Amendment No. 1; the
Sponsor’s costs of negotiating this Amendment No. 1; or any costs of negotiating a
design Amendment No. 1 for a project or separable element thereof.

C. The term “study costs to be shared during the period of study” shall mean the
difference between total study costs and excess study costs.

D. The term “excess study costs” shall mean the difference between the most
recent estimate of total study costs and the amount of total study costs specified in Article
IV.A.1. of this Amendment No. 1, excluding any increase in total study costs that
resulted from a change in Federal law or a change in the scope of the Study requested by
the Sponsor or any increase in total study costs that otherwise was agreed upon in writing
by the parties.

E. The term “period of study” shall mean the time from the effective date of the
Original Agreement to the date that:

1. the Assistant Secretary of the Army (Civil Works) submits the
feasibility report to the Office of Management and Budget (OMB) for review for
consistency with policies and programs of the Administration, if the project or project
modification that is the subject of this Study will require further Congressional
authorization to implement the recommended plan; or

2. the decision document for the study is duly approved by the
Government, if the project or project modification that is the subject of this Study will not
require further Congressional authorization to implement the recommended plan; or

3. the date that this Amendment No. 1 is terminated in accordance with
Article IX of this Amendment No. 1.

F. The term “financial obligations to be shared during the period of study” shall
mean the financial obligations of the Government and the costs for the non-Federal in-kind
contributions, as determined by the Government, that result or would result in costs that
are or would be included in study costs to be shared during the period of study.
G. The term “non-Federal proportionate share” shall mean the ratio of the sum of the costs included in study costs to be shared during the period of study for the non-Federal in-kind contributions, as determined by the Government, and the Sponsor’s total contribution of funds required by Article II.C.1.b. of this Amendment No. 1 to financial obligations to be shared during the period of study, as projected by the Government.

H. The term “Federal program funds” shall mean funds provided by a Federal agency, other than the Department of the Army, plus any non-Federal contribution required as a matching share therefor.

I. The term “fiscal year” shall mean one year beginning on October 1 and ending on September 30.

J. The term “PMP” shall mean the project management plan, and any modifications thereto, developed by the Government, and agreed to by the Sponsor, including, but not limited to, that certain “Project Management Plan Addendum 1, West Shore-Lake Pontchartrain, LA Hurricane Protection Project Feasibility Study”, that specifies the scope, cost, and schedule for Study activities and guides the performance of the Study through the period of study.

K. The term “non-Federal in-kind contributions” shall mean planning, supervision and administration, services, materials, supplies, and other in-kind services that are performed or provided by the Sponsor after the effective date of this Amendment No. 1 in accordance with the PMP and that are necessary for performance of the Study.

ARTICLE II - OBLIGATIONS OF THE GOVERNMENT AND THE SPONSOR

A. The Government, subject to receiving funds appropriated by the Congress of the United States (hereinafter the “Congress”) and using those funds and funds provided by the Sponsor, expeditiously shall conduct the Study, applying those procedures usually applied to Federal projects, in accordance with Federal laws, regulations, and policies. The Sponsor expeditiously shall perform or provide the non-Federal in-kind contributions in accordance with applicable Federal laws, regulations, and policies.

1. To the extent possible, the Government and the Sponsor shall conduct the Study in accordance with the PMP.

2. The Government shall afford the Sponsor the opportunity to review and comment on all products that are developed by contract or by Government personnel during the period of study. The Government shall consider in good faith the comments of the Sponsor, but the final approval of all Study products shall be exclusively within the control of the Government.
AMENDMENT NO. 1
FOR THE WEST SHORE-LAKE PONTCHARTRAIN, LOUISIANA
FEASIBILITY STUDY

3. The Government shall afford the Sponsor the opportunity to review and comment on the solicitations for all Government contracts, including relevant scopes of work, prior to the Government’s issuance of such solicitations. To the extent possible, the Government shall afford the Sponsor the opportunity to review and comment on all proposed contract modifications, including change orders. In any instance where providing the Sponsor with notification of a contract modification is not possible prior to execution of the contract modification, the Government shall provide such notification in writing at the earliest date possible. To the extent possible, the Government also shall afford the Sponsor the opportunity to review and comment on all contract claims prior to resolution thereof. The Government shall consider in good faith the comments of the Sponsor, but the contents of solicitations, award of contracts or commencement of work on the Study using the Government’s own forces, execution of contract modifications, resolution of contract claims, and performance of all work on the Study, except for the non-Federal in-kind contributions, shall be exclusively within the control of the Government.

4. At the time the U.S. Army Engineer, New Orleans District (hereinafter the “District Engineer”) furnishes the contractor with the Government’s Written Notice of Acceptance of Completed Work for each contract awarded by the Government for the Study, the District Engineer shall furnish a copy thereof to the Sponsor.

5. The Sponsor shall afford the Government the opportunity to review and comment on the solicitations for all contracts for the non-Federal in-kind contributions, including relevant scopes of work, prior to the Sponsor’s issuance of such solicitations. To the extent possible, the Sponsor shall afford the Government the opportunity to review and comment on all proposed contract modifications, including change orders. In any instance where providing the Government with notification of a contract modification is not possible prior to execution of the contract modification, the Sponsor shall provide such notification in writing at the earliest date possible. To the extent possible, the Sponsor also shall afford the Government the opportunity to review and comment on all contract claims prior to resolution thereof. The Sponsor shall consider in good faith the comments of the Government but the contents of solicitations, award of contracts or commencement of work on the Study using the Sponsor’s own forces, execution of contract modifications, resolution of contract claims, and performance of all work on the non-Federal in-kind contributions shall be exclusively within the control of the Sponsor.

6. At the time the Sponsor furnishes a contractor with a notice of acceptance of completed work for each contract awarded by the Sponsor for the non-Federal in-kind contributions, the Sponsor shall furnish a copy thereof to the Government.

7. Notwithstanding paragraph A.3. and paragraph A.5., if the award of any contract for work on the Study, or continuation of work on the Study using the Government’s or the Sponsor’s own forces, would result in excess study costs, the Government and the Sponsor agree to defer award of that contract, award of all remaining contracts for work on the Study, and continuation of work on the Study using
the Government's or the Sponsor's own forces until such time as the Government and the Sponsor agree in writing to proceed with further contract awards for the Study or the continuation of work on the Study using the Government's or the Sponsor's own forces, but in no event shall the award of contracts or the continuation of work on the Study using the Government's or the Sponsor's own forces be deferred for more than six months. If the Government and the Sponsor agree to not proceed or fail to reach agreement on proceeding with further contract awards for the Study, or the continuation of work on the Study using the Government’s or the Sponsor’s own forces, the parties shall terminate this Amendment No. 1 and proceed in accordance with Article IX.D. of this Amendment No. 1.

9. As of the effective date of this Amendment No. 1, $2,264,000 of Federal funds is currently projected to be available for the Study. The Government makes no commitment to request Congress to provide additional Federal funds for the Study. Further, the Government’s financial participation in the Study is limited to the Federal funds that the Government makes available to the Study.

   B. The Government shall allocate total study costs between study costs to be shared during the period of study and excess study costs.

   C. The Sponsor shall contribute 50 percent of study costs to be shared during the period of study in accordance with the provisions of this paragraph.

   1. The Sponsor shall provide a contribution of funds as determined below:

      a. If the Government projects at any time that the collective value of the Sponsor’s contributions under Article III and Article VI of this Amendment No. 1 will be less than the Sponsor’s required share of 50 percent of study costs to be shared during the period of study, the Government shall determine the amount of funds that would be necessary to meet the Sponsor’s required share prior to any consideration of the credit the Government projects will be afforded for the non-Federal in-kind contributions pursuant to paragraph F. of this Article.

      b. The Sponsor shall provide funds in the amount determined by this paragraph in accordance with Article IV.B. of this Amendment No. 1. To determine the contribution of funds the Sponsor shall provide, the Government shall reduce the amount determined in accordance with paragraph C.1.a. of this Article by the amount of credit the Government projects will be afforded for the non-Federal in-kind contributions pursuant to paragraph F. of this Article.

   2. The Government, subject to the availability of funds and as limited by paragraph G. of this Article, shall refund or reimburse to the Sponsor any contributions in excess of 50 percent of study costs to be shared during the period of study if the Government determines at any time that the collective value of the following contributions has exceeded 50 percent of study costs to be shared during the period of study: (a) the
value of the Sponsor's contributions under paragraph C.1.b. of this Article; (b) the amount of credit to be afforded for the non-Federal in-kind contributions pursuant to paragraph F. of this Article; and (c) the value of the Sponsor's contributions under Article III and Article VI of this Amendment No. 1.

D. The Sponsor shall contribute 50 percent of excess study costs in accordance with the provisions of this paragraph.

1. The Government shall determine the amount of funds that would be necessary to meet the Sponsor's required share prior to any consideration of the credit the Government projects will be afforded for the non-Federal in-kind contributions pursuant to paragraph F. of this Article.

2. The Sponsor shall provide funds in the amount determined by this paragraph in accordance with Article IV.C.3. of this Amendment No. 1. To determine the contribution of funds the Sponsor shall provide, the Government shall reduce the amount determined in accordance with paragraph D.1. of this Article by the amount of credit the Government projects will be afforded for the non-Federal in-kind contributions pursuant to paragraph F. of this Article.

E. The Government shall determine and include in total study costs any costs incurred by the Sponsor for non-Federal in-kind contributions, subject to the conditions and limitations of this paragraph. The Sponsor in a timely manner shall provide the Government with such documents as are sufficient to enable the Government to determine the amount of costs to be included in total study costs for non-Federal in-kind contributions.

1. Acceptance by the Government of non-Federal in-kind contributions shall be subject to a review by the Government to verify that all economic, engineering, real estate, and environmental analyses or other items performed or provided as non-Federal in-kind contributions are accomplished in a satisfactory manner and in accordance with applicable Federal laws, regulations, and policies, and to verify that all analyses, services, materials, supplies, and other in-kind services provided as non-Federal in-kind contributions are necessary for the Study.

2. The Sponsor's costs for non-Federal in-kind contributions that may be eligible for inclusion in total study costs pursuant to this Amendment No. 1 shall be subject to an audit in accordance with Article VI.C. of this Amendment No. 1 to determine the reasonableness, allocability, and allowability of such costs.

3. The Sponsor's costs for non-Federal in-kind contributions that may be eligible for inclusion in total study costs pursuant to this Amendment No. 1 are not subject to interest charges, nor are they subject to adjustment to reflect changes in price levels between the time the non-Federal in-kind contributions are provided and the time the costs are included in total study costs.
4. The Government shall not include in total study costs any costs for non-Federal in-kind contributions paid by the Sponsor using Federal program funds unless the Federal agency providing the Federal portion of such funds verifies in writing that expenditure of such funds for such purpose is expressly authorized by Federal law.

5. The Government shall not include in total study costs any costs for non-Federal in-kind contributions in excess of the Government’s estimate of the costs of the non-Federal in-kind contributions if the services, materials, supplies, and other in-kind services had been provided by the Government.

F. The Government, in accordance with this paragraph, shall afford credit toward the amount of funds determined in accordance with paragraph C.1.a. and paragraph D.1. of this Article for the costs of the non-Federal in-kind contributions determined in accordance with paragraph E. of this Article. The credit for non-Federal in-kind contributions first shall be afforded toward the amount of funds determined in accordance with paragraph C.1.a. of this Article. If the amount of credit afforded exceeds the amount of funds determined in accordance with paragraph C.1.a. of this Article, the remaining portion of credit to be afforded shall be afforded toward the amount of funds determined in accordance with paragraph D.1. of this Article. However, the maximum amount of credit that can be afforded for the non-Federal in-kind contributions shall not exceed the least of the following amounts as determined by the Government: the amount of funds determined in accordance with paragraph C.1.a. and paragraph D.1. of this Article; the costs of the non-Federal in-kind contributions determined in accordance with paragraph E. of this Article; or 50 percent of total study costs.

G. Notwithstanding any other provision of this Amendment No. 1, the Sponsor shall not be entitled to reimbursement of any costs of non-Federal in-kind contributions determined in accordance with paragraph E. of this Article and included in total study costs that exceed the amount of credit afforded for the non-Federal in-kind contributions determined in accordance with paragraph F. of this Article and the Sponsor shall be responsible for 100 percent of all costs of non-Federal in-kind contributions included in total study costs that exceed the amount of credit afforded.

H. Upon conclusion of the period of study, the Government shall conduct an accounting, in accordance with Article IV.C. of this Amendment No. 1, and furnish the results to the Sponsor.

I. The Sponsor shall not use Federal program funds to meet any of its obligations for the Study under this Amendment No. 1 unless the Federal agency providing the Federal portion of such funds verifies in writing that expenditure of such funds for such purpose is expressly authorized by Federal law.

J. This Amendment No. 1 shall not be construed as obligating either party to implement a project. Whether the Government supports a project authorization, if

authorization is required, and budgets for implementation of the project depends upon,
among other things, the outcome of the Study and whether the proposed solution is
consistent with the Economic and Environmental Principles and Guidelines for Water
and Related Land Resources Implementation Studies and with the budget priorities of the
Administration.

ARTICLE III - STUDY COORDINATION TEAM

A. To provide for consistent and effective communication, the Sponsor and the
Government, not later than 30 calendar days after the effective date of this Amendment No.
1, shall appoint named senior representatives to a Study Coordination Team if such senior
representatives have not been previously designated pursuant to the terms of the Original
Agreement. Thereafter, the Study Coordination Team shall meet regularly until the end of
the period of study. The Government’s Project Manager and a counterpart named by the
Sponsor shall co-chair the Study Coordination Team.

B. The Government’s Project Manager and the Sponsor’s counterpart shall keep the
Study Coordination Team informed of the progress of the Study and of significant pending
issues and actions, and shall seek the views of the Study Coordination Team on matters that
the Study Coordination Team generally oversees.

C. Until the end of the period of study, the Study Coordination Team shall
generally oversee the Study, including matters related to: plan formulation and evaluation,
including applicable economic, engineering, real estate, and environmental analyses;
scheduling of reports and work products; independent technical review and other review
processes required by the Government; external peer review, if required; completion of all
necessary environmental coordination and documentation; contract awards and
modifications; contract costs; the Government’s cost projections; the performance of and
scheduling for the non-Federal in-kind contributions; determination of anticipated future
requirements for real property and relocation requirements and performance of operation,
maintenance, repair, rehabilitation, and replacement of the proposed project including
anticipated requirements for permits; and other matters related to the Study. This oversight
of the Study shall be consistent with the PMP.

D. The Study Coordination Team may make recommendations to the District
Engineer on matters related to the Study that the Study Coordination Team generally
oversees, including suggestions to avoid potential sources of dispute. The Government in
good faith shall consider the recommendations of the Study Coordination Team. The
Government, having the legal authority and responsibility for performance of the Study
except for the non-Federal in-kind contributions, has the discretion to accept or reject, in
whole or in part, the Study Coordination Team’s recommendations. On matters related to
the non-Federal in-kind contributions, that the Study Coordination Team generally
oversees, the Study Coordination Team may make recommendations to the Sponsor
including suggestions to avoid potential sources of dispute. The Sponsor in good faith
shall consider the recommendations of the Study Coordination Team. The Sponsor, having the legal authority and responsibility for the non-Federal in-kind contributions, has the discretion to accept or reject, in whole or in part, the Study Coordination Team’s recommendations except as otherwise required by the provisions of this Amendment No. 1, including compliance with applicable Federal, State, or local laws or regulations.

E. The Sponsor’s costs of participation in the Study Coordination Team shall be included in total study costs and shared in accordance with the provisions of this Amendment No. 1, subject to an audit in accordance with Article VI.C. of this Amendment No. 1 to determine reasonableness, allocability, and allowability of such costs. The Government’s costs of participation in the Study Coordination Team shall be included in total study costs and shared in accordance with the provisions of this Amendment No. 1.

ARTICLE IV - METHOD OF PAYMENT

A. In accordance with the provisions of this paragraph, the Government shall maintain current records and provide to the Sponsor current projections of costs, financial obligations, the contributions provided by the parties, the costs included in total study costs for the non-Federal in-kind contributions determined in accordance with Article II.E. of this Amendment No. 1, and the credit to be afforded for the non-Federal in-kind contributions pursuant to Article II.F. of this Amendment No. 1.

1. As of the effective date of this Amendment No. 1, total study costs are projected to be $6,982,089; the amount of funds determined in accordance with Article II.C.1.a. of this Amendment No. 1 is projected to be $3,371,107; the costs included in total study costs for the non-Federal in-kind contributions determined in accordance with Article II.E. of this Amendment No. 1 are projected to be $855,240; the credit to be afforded for the non-Federal in-kind contributions pursuant to Article II.F. of this Amendment No. 1 is projected to be $855,240; the Sponsor’s contribution of funds required by Article II.C.1.b. of this Amendment No. 1 is projected to be $2,515,867; and the non-Federal proportionate share is projected to be 48.44 percent. These amounts and percentage are estimates subject to adjustment by the Government, after consultation with the Sponsor, and are not to be construed as the total financial responsibilities of the Government and the Sponsor.

2. By July, 2008 and by each quarterly anniversary thereof until the conclusion of the period of study and resolution of all relevant claims and appeals, the Government shall provide the Sponsor with a report setting forth all contributions provided to date and the current projections of the following: total study costs; study costs to be shared during the period of study; the amount of funds determined in accordance with Article II.C.1.a. of this Amendment No. 1; the Sponsor’s contribution of funds required by Article II.C.1.b. of this Amendment No. 1; excess study costs; the amount of funds determined in accordance with Article II.D.1. of this Amendment No. 1; the
AMENDMENT NO. 1

Sponsor’s contribution of funds required by Article II.D.2. of this Amendment No. 1; the costs included in total study costs for the non-Federal in-kind contributions determined in accordance with Article II.E. of this Amendment No. 1; the credit to be afforded for the non-Federal in-kind contributions pursuant to Article II.F. of this Amendment No. 1; and the non-Federal proportionate share.

B. The Sponsor shall provide the contribution of funds required by Article II.C.1.b. of this Amendment No. 1 in accordance with the provisions of this paragraph.

1. Not less than 30 calendar days prior to the scheduled date for issuance of the solicitation for the first contract for work on the Study or commencement of work on the Study using the Government’s own forces, the Government shall notify the Sponsor in writing of such scheduled date and the funds the Government determines to be required from the Sponsor to meet its projected share under Article II.C.1.b. of this Amendment No. 1. Not later than such scheduled date, the Sponsor shall provide the Government with the full amount of such required funds by delivering a check payable to “FAO, USAED, B2, New Orleans” to the District Engineer, or verifying to the satisfaction of the Government that the Sponsor has deposited such required funds in an escrow or other account acceptable to the Government, with interest accruing to the Sponsor, or by presenting the Government with an irrevocable letter of credit acceptable to the Government for such required funds, or by providing an Electronic Funds Transfer of such required funds in accordance with procedures established by the Government.

2. The Government shall draw from the funds provided by the Sponsor such sums as the Government deems necessary, when considered with any credit the Government projects will be afforded for the non-Federal in-kind contributions pursuant to Article II.F. of this Amendment No. 1, to cover: (a) the non-Federal proportionate share of financial obligations to be shared during the period of study incurred prior to the commencement of the period of study; and (b) the non-Federal proportionate share of financial obligations to be shared during the period of study as financial obligations to be shared during the period of study are incurred. If at any time the Government determines that additional funds will be needed from the Sponsor to cover the Sponsor’s share of such financial obligations, the Government shall notify the Sponsor in writing of the additional funds required and provide an explanation of why additional funds are required. Within 60 calendar days from receipt of such notice, the Sponsor shall provide the Government with the full amount of such additional required funds through any of the payment mechanisms specified in paragraph B.1. of this Article.

C. Upon conclusion of the period of study and resolution of all relevant claims and appeals, the Government shall conduct a final accounting and furnish the Sponsor with written notice of the results of such final accounting. If outstanding relevant claims and appeals prevent a final accounting from being conducted in a timely manner, the Government shall conduct an interim accounting and furnish the Sponsor with written notice of the results of such interim accounting. Once all outstanding relevant claims and appeals are resolved, the Government shall amend the interim accounting to complete the
final accounting and furnish the Sponsor with written notice of the results of such final accounting. The interim or final accounting, as applicable, shall determine total study costs, study costs to be shared during the period of study, and excess study costs. In addition, the interim or final accounting, as applicable, shall determine each party’s required share thereof, and each party’s total contributions thereto as of the date of such accounting.

1. Should the interim or final accounting, as applicable, show that the Sponsor’s total required share of study costs to be shared during the period of study exceeds the Sponsor’s total contributions provided thereto, the Sponsor, no later than 90 calendar days after receipt of written notice from the Government, shall make a payment to the Government in an amount equal to the difference by delivering a check payable to “FAO, USAED, B2, New Orleans” to the District Engineer or by providing an Electronic Funds Transfer in accordance with procedures established by the Government.

2. Should the interim or final accounting, as applicable, show that the total contributions provided by the Sponsor for study costs to be shared during the period of study exceed the Sponsor’s total required share thereof, the Government, subject to the availability of funds and as limited by Article II.G. of this Amendment No. 1, shall refund or reimburse the excess amount to the Sponsor within 90 calendar days of the date of completion of such accounting. In the event the Sponsor is due a refund or reimbursement and funds are not available to refund or reimburse the excess amount to the Sponsor, the Government shall seek such appropriations as are necessary to make the refund or reimbursement.

3. Should the final accounting show that the Sponsor’s total required share of excess study costs exceeds the Sponsor’s total contributions provided thereto the Sponsor, within the applicable time frame described below, shall make a payment to the Government in an amount equal to the difference by delivering a check payable to “FAO, USAED, B2, New Orleans” to the District Engineer or by providing an Electronic Funds Transfer in accordance with procedures established by the Government.

   a. If the project or project modification that is the subject of this Study will require further Congressional authorization to implement the recommended plan and:

      i. the project or project modification is authorized for construction – then the payment shall be made no later than the date on which a Project Partnering Agreement is entered into for the project or project modification; or

      ii. the project or project modification is not authorized for construction within 5 years after the date of the final Report of the Chief of Engineers concerning the project or project modification – then the payment shall be made no later than 5 years after the date of the final Report of the Chief of Engineers; or

FEASIBILITY STUDY

iii. the Study is terminated and the project or project modification is not authorized for construction - then the payment shall be made no later than 2 years after such termination date.

b. If the project or project modification that is the subject of this Study will not require further Congressional authorization to implement the recommended plan, then the payment shall be made:

i. no later than the date on which a Project Partnering Agreement is entered into for the project or project modification; or

ii. no later than 5 years after the date the decision document is duly approved by the Government; or

iii. no later than 2 years after the date of the termination of the Study, whichever is earliest.

ARTICLE V - DISPUTE RESOLUTION

As a condition precedent to a party bringing any suit for breach of this Amendment No. 1, that party must first notify the other party in writing of the nature of the purported breach and seek in good faith to resolve the dispute through negotiation. If the parties cannot resolve the dispute through negotiation, they may agree to a mutually acceptable method of non-binding alternative dispute resolution with a qualified third party acceptable to both parties. Each party shall pay an equal share of any costs for the services provided by such a third party as such costs are incurred. The existence of a dispute shall not excuse the parties from performance pursuant to this Amendment No. 1.

ARTICLE VI - MAINTENANCE OF RECORDS AND AUDIT

A. Not later than 60 calendar days after the effective date of this Amendment No. 1, the Government and the Sponsor shall develop procedures for keeping books, records, documents, or other evidence pertaining to costs and expenses incurred pursuant to this Amendment No. 1. These procedures shall incorporate, and apply as appropriate, the standards for financial management systems set forth in the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments at 32 C.F.R. Section 33.20. The Government and the Sponsor shall maintain such books, records, documents, or other evidence in accordance with these procedures and for a minimum of three years after completion of the accounting for which such books, records, documents, or other evidence were required. To the extent permitted under applicable Federal laws and regulations, the Government and the Sponsor shall each allow the other to inspect such books, records, documents, or other evidence.
AMENDMENT NO. 1
FOR THE WEST SHORE-LAKE PONTCHARTRAIN, LOUISIANA
FEASIBILITY STUDY

B. In accordance with 32 C.F.R. Section 33.26, the Sponsor is responsible for complying with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507), as implemented by OMB Circular No. A-133 and Department of Defense Directive 7600.10. Upon request of the Sponsor and to the extent permitted under applicable Federal laws and regulations, the Government shall provide to the Sponsor and independent auditors any information necessary to enable an audit of the Sponsor’s activities under this Amendment No. 1. The costs of any non-Federal audits performed in accordance with this paragraph shall be allocated in accordance with the provisions of OMB Circulars A-87 and A-133, and such costs as are allocated to the Study shall be included in total study costs and shared in accordance with the provisions of this Amendment No. 1.

C. In accordance with 31 U.S.C. 7503, the Government may conduct audits in addition to any audit that the Sponsor is required to conduct under the Single Audit Act Amendments of 1996. Any such Government audits shall be conducted in accordance with Government Auditing Standards and the cost principles in OMB Circular No. A-87 and other applicable cost principles and regulations. The costs of Government audits performed in accordance with this paragraph shall be included in total study costs and shared in accordance with the provisions of this Amendment No. 1.

ARTICLE VII - FEDERAL AND STATE LAWS

In the exercise of their respective rights and obligations under this Amendment No. 1, the Sponsor and the Government shall comply with all applicable Federal and State laws and regulations, including, but not limited to: Section 601 of the Civil Rights Act of 1964, Public Law 88-352 (42 U.S.C. 2000d) and Department of Defense Directive 5500.11 issued pursuant thereto and Army Regulation 600-7, entitled “Nondiscrimination on the Basis of Handicap in Programs and Activities Assisted or Conducted by the Department of the Army”.

ARTICLE VIII - RELATIONSHIP OF PARTIES

A. In the exercise of their respective rights and obligations under this Amendment No. 1, the Government and the Sponsor each act in an independent capacity, and neither is to be considered the officer, agent, or employee of the other.

B. In the exercise of its rights and obligations under this Amendment No. 1, neither party shall provide, without the consent of the other party, any contractor with a release that waives or purports to waive any rights the other party may have to seek relief or redress against that contractor either pursuant to any cause of action that the other party may have or for violation of any law.

FOR THE WEST SHORE-LAKE PONTCHARTRAIN, LOUISIANA
FEASIBILITY STUDY

ARTICLE IX - TERMINATION OR SUSPENSION

A. Prior to conclusion of the period of study, upon 30 calendar days written notice to the other party, either party may elect without penalty to terminate this Amendment No. 1 or to suspend future performance under this Amendment No. 1. In the event that either party elects to suspend future performance under this Amendment No. 1 pursuant to this paragraph, such suspension shall remain in effect until either the Government or the Sponsor elects to terminate this Amendment No. 1.

B. If at any time the Sponsor fails to fulfill its obligations under this Amendment No. 1, the Assistant Secretary of the Army (Civil Works) shall terminate this Amendment No. 1 or suspend future performance under this Amendment No. 1 unless he determines that continuation of performance of the Study is in the interest of the United States or is necessary in order to satisfy agreements with any other non-Federal interests in connection with the Study.

C. In the event the Government projects that the amount of Federal funds the Government will make available to the Study through the then-current fiscal year, or the amount of Federal funds the Government will make available for the Study through the upcoming fiscal year, is not sufficient to meet the Federal share of total study costs that the Government projects to be incurred through the then-current or upcoming fiscal year, as applicable, the Government shall notify the Sponsor in writing of such insufficiency of funds and of the date the Government projects that the Federal funds that will have been made available to the Study will be exhausted. Upon the exhaustion of Federal funds made available by the Government to the Study, future performance under this Amendment No. 1 shall be suspended. Such suspension shall remain in effect until such time that the Government notifies the Sponsor in writing that sufficient Federal funds are available to meet the Federal share of total study costs the Government projects to be incurred through the then-current or upcoming fiscal year, or the Government or the Sponsor elects to terminate this Amendment No. 1.

D. In the event that this Amendment No. 1 is terminated pursuant to this Article, the parties shall conclude their activities relating to the Study and conduct an accounting in accordance with Article IV.C. of this Amendment No. 1. To provide for this eventuality, the Government may reserve a percentage of total Federal funds made available for the Study and an equal percentage of the total funds contributed by the Sponsor in accordance with Article II.C.1.b. of this Amendment No. 1 as a contingency to pay costs of termination, including any costs of resolution of contract claims and contract modifications. Upon termination of this Amendment No. 1, all data and information generated as part of the Study shall be made available to the parties to the Amendment No. 1.

E. Any termination of this Amendment No. 1 or suspension of future performance under this Amendment No. 1 in accordance with this Article shall not relieve the parties of liability for any obligation previously incurred. Any delinquent payment owed by the

Sponsor shall be charged interest at a rate, to be determined by the Secretary of the
Treasury, equal to 150 per centum of the average bond equivalent rate of the 13 week
Treasury bills auctioned immediately prior to the date on which such payment became
delinquent, or auctioned immediately prior to the beginning of each additional 3 month
period if the period of delinquency exceeds 3 months.

ARTICLE X - NOTICES

A. Any notice, request, demand, or other communication required or permitted to be

FEASIBILITY STUDY

CERTIFICATION REGARDING LOBBYING

The undersigned certifies, to the best of his or her knowledge and belief that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.
