------	---------------------------------	---	---	---	---	---	---

The following voting process will be used by the Technical Committee to select 10 candidate projects under PPL 31:

- Each agency represented in the Technical Committee will be provided one ballot for voting.
- Each agency represented in the Technical Committee will cast weighted votes for 12 projects. All votes must be used.
- Each agency will vote for their top projects, hand-written on the above ballot form
- A weighted score will be assigned (12, 11, 10,...1), to be used in the event of a tie. (12 highest...1 lowest).
- Initial rank will be determined based upon the number of votes received for a project (unweighted).
- The Technical Committee will select the top 10 projects as candidates under PPL 31.
- In the event of a tie at the cutoff of 10, the weighted will be used as a tie-breaker.
- The tied projects will be ranked based upon a sum of the weighted score.
- The results of the Technical Committee candidate selection will be reported to the Task Force.
