Walter Baomy is new Corps engineering chief

NEW ORLEANS – Walter Baomy Jr. is the new chief of Engineering Division for the New Orleans District, U.S. Army Corps of Engineers.

Formerly the chief of Civil Branch, Baomy began working for the Corps 28 years ago while in college. Other positions held include senior structural engineer, supervisory structural engineer, supervisory civil engineer and chief of General and Environmental Design Section, General Engineering Branch.

Baomy graduated from the University of New Orleans with a bachelor's degree in engineering in 1976. He earned a master's in civil engineering from Tulane in 1981. Baomy has been a registered civil engineer in the state of Louisiana since 1982.

Baomy is married and has five children. He is from St. Bernard Parish and currently resides in St. Tammany Parish.
